

## **AEDSB Job Portal 2017**

AEDSB will be again collecting data this year to use the membership network to help match job seekers with jobs -- even those that are not advertised on JOE or elsewhere. We will send the list of job seekers to the list of potential employers who will provide information to us. We will also advertise the job candidate information to all AEDSB members if the candidate is willing to make their information public.

Job seekers: please send Dr. AKM Morshed ([mmorshed@siu.edu](mailto:mmorshed@siu.edu)) and/or Dr. Khawaja Mamun ([mamunk@sacredheart.edu](mailto:mamunk@sacredheart.edu)) the following information by Nov 15th:
